

一般遵循**三段式总分总**的结构，第一段引入话题+你的论点，第二段给出 3 个分论点并进行论证，第三段总结全文。

1. 随着...的发展：还在用 With the development of 吗，试试下面这些：

As X grows/ develops by leaps and bounds,By leaps_and bounds 指发展迅猛

As X has found its way into people' s daily life,

As X gathers pace/ momentum,....

With the bloom of X,

Recent years have witnessed/ seen a spurt of progress in X

A spurt of progress 指进步迅速

Recently, X are springing up/ mushrooming.

Spring up/mushroom 指发展如雨后春笋般

2. 受到关注、引发争议

受到关注：

X is in the spotlight

Much ink has been spilled on/ over

X has rushed into the forefront of the news.

Recent years have witnessed/ seen X become the most talked-about topic(最热议的话题)

引发争议：

Public concerns about X have emerged/cropped up(出现)

Worries have multiplied about X in recent years.

The debate about X has grown.

正反观点

总述“观点不同”

Opinions are divided on X

X has drawn mixed reviews from....

Mixed reviews 指不同的观点

When it comes to X, opinions vary.

Opinions differ as to about whether

Opinions vary from person to person

分述：

Some hold the view that ..., while for others, the story is quite different

2)Some people embrace the idea that.., but others frown upon this matter.

frown 本指皱眉，这里的 frown upon/on 指不同意。

3. 利弊分析

总述两面性：

X is a double-edged sword/ weapon. 双刃剑

X is a mixed blessing. 喜忧参半

具体论述：

On the bright side, On the dark side,
It is admitted that, to some extent, X is indeed a good way to.... As
for me, however, the downside of X is more dominant.

downside 指坏处, 反义词是 upside, 这一组可以替换 advantage 和
disadvantage

Public concerns about X should be weighed against the benefits
of

权衡利弊

But the good far outweighs the bad

4. 列举原因

总述 “多重因素”

Many factors are responsible for X. Chief among them is A
be responsible for 替换 cause/ lead to

Reasons abound for X, one of which is A.

Several factors contribute to X. A is part of the story.

The second factor/ reason/ culprit lies in

X is also down to C/ C is also responsible for X.

Last, X stems in part from/ is driven partly by...

5. 提出措施

The answer to ... lies in

To translate the idea into reality, we must.... 为了让想法落地, 我们必
须...

If X is to be tackled/ addressed, we must/shall 要解决 X, 我们必
须..

The good news is that X can be avoidable as long as three methods can
be put in place beginning with A.

Put in place 指落实到位。用 beginning with A 引出第一个措施, 后面再仿照
原因分述句型列出第二个、第三个。

All the above facts show that X ..., which requires us to
